

Celebrate! School Grade = A

**News From
Kissimmee
Elementary**

Important Information

Meet the Teacher!!

Come meet your child's teacher on August 21 from 3:00 to 6:00pm. The school will be open and teachers will be available for you to stop and say hello. Class lists will be posted around the school to help you find your child's teacher and room number.. We'll see you then.

Free School Uniform Shirt

In side this letter is a post card for a free uniform shirt to begin school. Ibiley School Uniforms is a school business partner and is providing this free shirt as a way for you to meet them at their store in the Mill Creek Mall . We hope you will take advantage of this very nice offer.

We are also registered at many of the uniform stores in town as well as Penny's

in the Loop. Wherever you purchase your child's uniforms this year check to see if you will get a discount as a parent from Kissimmee Elementary.

As a reminder our additional school uniform color is hunter green. Parents can check the district website for a full description of the district uniform guidelines. www.Dsceola.k12.fl.us

Free Breakfast for KES Students

Students at Kissimmee Elementary are provided a free breakfast regardless of income. In order to take advantage of that breakfast, the student should be in the cafeteria by 7:30 am. Students coming late to school may not be permitted

to eat since it would make them late to class. So, if you are interested in having your child eat here at school plan on dropping your child off early enough so that he or she will not have to be turned away.

School Advisory Committee Meeting

The first SAC meeting will be held August 26 at 12:45 in the school library. All parents are invited to attend. Consider being a member for the coming year. The school academic goals will be discussed.

Register your Child Now!

If you have a child at home to register, please do it now, before school starts. Office hours to register are 8:00 am to 4:00 pm. Don't wait!

A "Thank You" to our Parents!

Dear Parents:

As Principal I want to thank all of you for your hard work and support at home with your child last year. Because we worked together, our students earned our school its first "A". Parents and teachers working together to challenge our children is the only way our school is going to improve. Just because we made an A doesn't

mean our job is over and we can take a break. We have got to keep pushing your children here at school, and you need to do the same at home. Have your child here ON TIME. No tardies. Check their homework. Don't believe your child if he or she says there is none. Call the teacher and find out. **Don't plan any vacations during school time.** Your children need to be here at school. Make use of the after school and

Saturday school programs. Together we can go well past an A for our school score. Let's not stop with an A. Let's be the very best school in the district. That is our goal and if you will commit with us to do your share, we can be the very best!! Thank you for all you have done to get us this far.

Sincerely,
Dr. Meyers, Principal

School begins August 24.
